Pete made a suggestion on a fundraiser that they did for Marching Band. Mattress fundraiser. We could use the field house for this. Kara will check to see how much it would cost for us to use the field house space.

Nikki reports that she has the parade candy that we did not use due to not having parades this summer. We decided to donate it to a church to use for their Halloween Trunk or Treat event.

Spoke to Keith and Tara and they agree that at this time we will not ask parents to come into the rink to volunteer to play music. Keith reports it's going good skaters are helping each other out.

Old Business

- A. Social Distancing Plan- We will continue with what we are doing, Skaters are doing well with this
- B. On Ice harness Kara has spoken to coaches about the placement of the on ice harness. Across ice is the more expensive option, but it would have a better flow for Ice traffic. Having it go down the ice would be much less expensive, but would not be the best for ice flow. Discussion held on this Kara motions to spend 10,343.00 to purchase/install the on ice

Kara motions to spend 10,343.00 to purchase/install the on ice harness that goes across the ice. Also to include extra 250.00 for additional belt and supplies to store it. Pete seconds, all were in favor, motion passed.

New Business

- A. Winter contract discussion held on possibly having to give up an hour of contract ice due to low numbers. Kara has spoken to Rich about this and this is an option. Also discussion held on classes for Winter session and the hope is to have the schedule out to members earlier. Kara will send email to coaches for their input.
- B. Ice Traffic Patterns Kara will also include this in her email to coaches so we can get input
- C. Holiday Spectacular City is still planning on having a Skate with Santa. If ERFSC participates we will not have bake sale or skate/dress sale. We would like to ask a club member parent to chair this event
- D. Makenna Telega Coach request Her resume was emailed out to board. She is currently a volunteer for Jr. Club. At this time we do not have kids for her as our numbers are very low. Kara will let her know this.
 - Christine motions to approve Mckenna Telega as a Jr coach. Pete Second, all were in favor and motion passed. Kara will let her know That we have approved her but at this time have no students for her.
- E. Book Sales already discussed during fundraising
